

## « Our Diversity »

Klein ISD embraces and celebrates the diversity of our students. As part of the district's strategic and proactive efforts to support our diverse population, Superintendent Dr. Jim Cain formed the Unite for Understanding Council to encourage tolerance and promote communication.

## « Celebrations of Diversity »

Students and their families enjoy participation in campus-based diversity celebrations such as international and cultural awareness days. At the district level, families and the community participate in Klein Culture Fest, a diversity celebration for the Klein ISD. A district that values each student's heritage builds unity within the community.

## « Teaching Respect »

In classrooms, clubs and special programs, students in Klein are taught to respect themselves and others. Many schools have promoted respect through the No Place for Hate initiative sponsored by the Anti-Defamation League. Organizations such as culture clubs and the Good Sportsmanship League promote respect. Beginning in kindergarten, students acquire information that helps them appreciate diverse cultures.
