Summer 2015

FRENCH ELEMENTARY SCHOOL

First day of class is Aug. 24, 2015

French Elementary Quick Facts

Address: 5802 W. Rayford Rd.

Architect: PBK Architects

Contractor: Marshall

Square Footage: 125,000

Capacity: 940

Cost: \$20,500,000

Opens: Fall 2015

Despite a rainy spring, construction of French Elementary stayed on track. The school will open its doors on Aug. 24, 2015, to a projected enrollment of 559 students.

Furniture deliveries, punch list items and final clean-up are beginning at the campus, located at 5802 W. Rayford Rd.

At the July 13 Klein ISD Board of Trustees meeting, the construction of

a sidewalk from French Elementary to Giltspur Way was approved. This addition will provide walking access to the school.

WILLOW LAKE VILLAGE AREA ELEMENTARY

Campus opens in August 2016

The new elementary school located in the Willow Lake Village subdivision will be the third iteration of the Zwink Elementary prototype with a few minor modifications.

Underground utilities are complete as well as concrete piers. The slab pour is currently in progress.

Upon zoning approval, this campus will provide relief to nearby elementary schools. The campus is slated to open in Aug. 2016.

Quick Facts

Address: 10255 Mahaffey Rd.

Architect: PBK Architects

Contractor: Dyad Construction

Square Footage: 125,000

Capacity: 940
