

## School History

Mueller Elementary opened during the 2009-10 school year. Mueller has been recognized by the Houston Anti-Defamation League since 2010 by earning the "No Place for Hate" award. The campus serves students in a monolingual and bilingual program.

## School Rating

Mueller Elementary has met the standard for 2015 - 2016 on the Texas School Accountability System.

## Counseling Program

Counselor Devota "DeeDee" Murphy has instituted anti-bullying, character and cultural diversity programs. Group and individual counseling for students also takes place upon request.

## Parent Involvement

Mueller Elementary has an active PTO who provide volunteer support as parent readers and classroom moms. The Mueller PTO has been active in fundraising to provide additional educational experiences for our students. Playground equipment and a running track for school and community use have been provided with funds from the PTO.

Mueller Watch D.O.G.S. are "Dads of Great Students" who volunteer to spend the day or a few hours assisting with car pool, lunch, classroom activities and other needs on special days.

## Core Curriculum

Mueller provides students with a state and district supported curriculum that enhances their learning in the classroom. The staff and teachers are dedicated to the success of each student, and continuously provide programs and lessons to help students excel.

### English Language Arts

In the elementary ELA program, the emphasis is on the development of fundamental reading and writing skills. Reading instruction includes training in phonics, structural analysis, sight word recognition, context clues, vocabulary development, comprehension, study skills, and literary appreciation. Writing instruction teaches students how to use written language appropriately. Instruction includes specific training in grammar, spelling, handwriting, word usage, punctuation, and capitalization as well as more generalized training in composing written expressions. Skills in speaking and listening are also taught with the instruction for reading and writing.

### Math

At the elementary level, students build a foundation of basic understanding for the following: number operation and quantitative reasoning; patterns, relationships, and algebraic thinking; geometry and spatial reasoning; measurement; and probability and statistics.

### Science

At the elementary level, students learn science foundational skills and how to identify components of the natural world. Students study life, earth, and physical science concepts.

### Social Studies

In grades K-12, students build a foundation in history, geography, economics, government, citizenship, culture, science, technology and society, and social studies skills. The content, as appropriate for the grade level or course, enables students to understand the importance of patriotism, function in a free enterprise society, and appreciate the basic democratic values of our state and nation.

## Special Programs

At Mueller Elementary, special programs include visiting authors to support current reading assignments and lessons. Student clubs and activities include the Pacers running club, Mueller Rock Stars percussion group, and the Mueller All Stars choir, Art Club, Math Club, Nature Club, and Destination Imagination.

Campus Kids provides extended day child care at Mueller.
