

Klein Independent School District Annual Performance Report 2013-2014

February 2015

Dear Parent,

The Klein ISD is sharing with you the 2013-14 School Report Card for your child's school. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR), as well as information on student enrollment, class size averages, and financial expenditures.

The information contained in the School Report Card is briefly described in the enclosed "2013-14 School Report Card Definitions." The report for our school may or may not have all the information described, because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the school report card display information about the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socio-economic status of the students and must include at least two years of results.

The School Report Cards can be found online at:

A more complete report about Klein ISD, the Texas Academic Performance Report (TAPR), is available by contacting my office or can be accessed online at:

If you have difficulty accessing the information from the web site, hard copies of the reports are available at the district central office or through the campus principal's office. If you have questions about the information, please contact Nancy Webster, Director of Assessment and Accountability at (832) 249-4335.
