

KISD BUS CHANGE REQUEST AND RELEASE OF LIABILITY

KISD Policy allows a parent/guardian to request a bus change under certain conditions.

- a. A change in bus assignment for day-care purposes may be arranged.
- b. The bus change must be for five (5) days a week.
- c. A parent/guardian may designate a child-care facility or grandparent's residence as the place where the student obtains transportation every day to and from school.
- d. A student may be picked up at his home and delivered to another residential, non-commercial child care individual after school.

The Director of Transportation, in consultation with the principal, may approve the requested bus change if:

- 1) Both the parent and the care provider sign the KISD form and submit it to the school principal a minimum of five school days in advance of the bus change
- 2) The care provider has his/her signature notarized.
- 3) The change is in the same attendance zone and on an approved route; with seating availability on the bus.

If approved, only one additional request to change buses for exceptions may be allowed during the same school year.

If you meet the above requirements and wish to request a bus change, please complete the attached form. Each student must have his/her own form. The form is valid for the current school year only.
